ABOUT COMPANY

- MNR Group is one of the leading sweater manufacturing groups of companies having three owned production units - MNR Design Ltd, MNR Sweaters Ltd and Welldone Apparel Ltd since its inauguration in 1998.
- MNR Group has demonstrated its full commitment towards delivering quality products and services that enabled the organization surpass the expectation of its customers across the world. The organization's client base includes renowned international retailers and the biggest brands of the apparel industry.
- We are offering wide product range to the valuable clients, which is the biggest strength of this Organization. With three production units MNR Group is producing 100% Cashmere wool, 100% Merino wool, 100% Lamb's wool and wool blend products beside local and imported fancy yarn with join life.
- We are able to produce all kinds of jacquard knitting including intarsia in a short lead time where most of them are in Shima Seiki brand.

VISION & MISSION

▶ VISION

To be the number one premier industrial group in Bangladesh , by increasing production and export volumes with exceptional performance.

▶ MISSION

Care for our clients, communities and employees. Maintaining a high standard of business ethics. Corporate practice in management system. Building a culture of honesty, integrity and accountability.
