ABOUT COMPANY

- The concept of challenging the prevailing norms and beliefs can frequently function as a driving factor that propels individuals towards progress. The formation of MNR in 1998 was facilitated by the concept, which was underpinned by self-assurance and a constructive mental attitude. Our highly regarded Managing Director, Mr. Golam Mostofa, demonstrated a willingness to embrace the concept of rejuvenation at his young age by making the bold choice to transition from his stable role to pursue the stimulating path of entrepreneurship.
- Mr. Mostofa demonstrated a high level of confidence, determination, and forward-thinking as He undertook the endeavor of establishing own manufacturing enterprise. In 1998, He has effectively led the establishment of a state-of-the-art Flat knitwear manufacturing business, commencing operations with a modest fleet of 350 machines. The establishment of **WELLDONE APPAREL LTD.** , renowned for its high-quality flat knitwear manufacturing.
- The representation was enthusiastically accepted by the apparel companies, leading to the emergence of yields that garnered prominence and were favorably welcomed by high street clothing brands.

VISION & MISSION

- To be the number one premier industrial group in Bangladesh , by increasing production and export volumes with exceptional performance.
- Establish a strong global presence by exporting premium sweaters to international markets.
- Commit to eco-friendly practices by using sustainable fabrics, ethical sourcing, and reducing waste.
- Focus on customer satisfaction by offering trendy, comfortable, and affordable sweater options.
- Continuously evolve by incorporating innovative knitting techniques, unique designs, and the latest fashion trends.
- Manufacture high-quality, durable, and stylish sweaters that meet global standards.
- Provide a safe, inclusive, and growth-oriented work environment for employees, ensuring fair wages and skill development.
